Congratulations to the Physicians of the Month

Chandler Regional Medical Center: Dr. Paul McHale

Congratulations to Dr. McHale, who was nominated as Chandler Regional Medical Center’s Physician of the Month for February. Dr. McHale exemplifies excellence in patient care both in his thorough evaluation and diagnostic skills, but also in his compassion, empathy and communication with his patients and their families. He keeps the level of stress under control with all employees due to the manner in which he conducts himself, and is truly a role model. Dr. McHale always finds a way to do or say that one extra thing that makes all the difference to the patient and their family. According to one patient, “Dr. McHale has the greatest sense of humor but is very professional, and makes people feel like he has all the time in the world.”
